Green Mountain receives Datacloud Europe honorary award

Congratulations to Knut Molaug, former Green Mountain CEO, now Board member, for a well deserved honorary award from the global data centre industry, Leader of the Year! He wins on behalf of Green Mountain for his brilliant work towards customers and communities, the whole data centre industry AND Norway! Thank you [Datacloud Europe & Awards 2018](#) for giving Knut and Green Mountain this honorary award!

Green Mountain AS design build and operate high security, robust wholesale colocation data centres.

Green Mountain currently have two data centres in Norway with plans to develop in other regions.

The data centres operate on 100% low cost renewable power and use of free cooling creating unique power efficiency.

The data centre near Stavanger (DC1-Stavanger) is built deep inside a mountain in a former high security NATO ammunition store.

The data centre in Telemark (DC2-Telemark) is in the 'cradle of hydro power' in Norway with multiple local hydro power plants.

Green Mountain are one of the largest operators in the sector in Norway with clients in finance, IT, Government, Health, O&G and others.
