Green Mountain – winner of DCS awards 2018

The Green Mountain team are delighted to have won the Energy Efficiency Initiative of the Year at DCS Awards last week.

We would like to say a huge thank you to all of you that voted for us.

Green Mountain AS design build and operate high security, robust wholesale

colocation data centres.

Green Mountain currently have two data centres in Norway with plans to develop in other regions.

The data centres operate on 100% low cost renewable power and use of free cooling creating unique power efficiency.

The data centre near Stavanger (DC1-Stavanger) is built deep inside a mountain in a former high security NATO ammunition store.

The data centre in Telemark (DC2-Telemark) is in the 'cradle of hydro power' in Norway with multiple local hydro power plants.

Green Mountain are one of the largest operators in the sector in Norway with clients in finance, IT, Government, Health, O&G and others.
